

SDI ADVANCE ADVENTURE DIVER COURSE (MIN 12YRS OLD)

RM 950/- PER PAX

The SDI Advanced Adventure course will give you an overview of five different SDI specialties. Two mandatory specialties are the Deep Diver and Navigation Diver specialties which are the foundation of continuing diver education. The remaining can be optional between Advanced Buoyancy Control, Drift Diver, Marine Ecosystem Awareness, Wreck & Many more!

This course is intended to introduce you to each of the five specialties selected; not complete comprehension of the chosen specialty. One dive from each of the chosen specialties may apply towards the completion of a specialty certification.

With this, you have an opportunity to expand your dive knowledges and skills.
