

## **SDI Divemaster Course**

**(MIN 18 YRS OLD)**

**RM 3500 /- PER PERSON**

The SDI Divemaster Course is the first professional level certification. During this course you will be challenged and learn what it is like to work with divers as they experience the underwater world for the first time and you will learn how to lead already certified divers and show them some of your favorite critters or dive sites. Your SDI Instructor will also teach you how to manage divers, work the dive deck of a boat, and conducting safe and enjoyable dives. Other things you can expect to learn is diving Physics and Physiology, and being a professional SDI Divemaster. Your skills will be refined to demonstration quality and your knowledge increased to that of a professional.

### **What you learn:**

- SDI Standards & Procedures
- History of SDI
- Liability and insurance
- Knowledge and leadership development
- and many more!

### **Pre-requisites:**

- Minimum age of 18
- Certified as Rescue Diver

### **Upon course graduation:**

- Assist an active SDI Instructor during approved diving course
- Supervise and conduct dives for certified divers
